### CAMP KADESH

This update is mostly one of asking for prayer. As everyone knows there is ongoing teacher work action that escalated now to work to rule. This now becomes a big problem for Camp Kadesh and what we choose to do for our spring programs. Last year we had over 1200 students participate in school programs - but work action threatens to interfere with all school trips. The difficult part is that nothing for sure, and as a camp we need to also be ready with staff the work to rule ends suddenly. Spring programs are an introduction to Christian camp for so many kids, we want to see our programs happen. **Will you join with us in prayer? Pray God will intervene and help this work action to end and that we will get to run our spring programs.**

We are committing to hiring our staff - we have offered them jobs and we believe that we need to honour that. We're not sure what will happen have, but we will get creative, and we pray that God will help us to see what we need to do. **Pray for the creativity of our staff and that God will honour us striving to do what is right.**

### PRAYER REQUESTS

- ✝ Outreach Prayer Focus: Holy Spirit, I ask you to convict \_\_\_\_\_ of their sin and their need for Christ's redemption (John 16:7-11).
- ✝ DBC Global Partner: Jason/Joanne Borrowman with AIM in Africa: Pray for pastors to be licensed. Praise for answers to prayer and generous friends. Pray that the Gabra would continue to grow strong in their faith. Praise for the visitors who made it here. Pray for Jason as he works on finishing the house. We leave Nairobi on June 27th, spend the long weekend in Toronto to see the AIM Canada office staff, and arrive in Saskatoon on July 3rd. We have a place to live in Saskatoon and some friends offered us the use of one of their vehicles.
- ✝ Talnoe Baptist Church, Ukraine: Pray for unity in the church and wisdom for the leadership as they minister.
- ✝ Sinagen Bibleless People in Papua New Guinea: Pray for peace within the government, and decisions will be made to encourage mission work among the isolated people groups.
