This summer, we would like to give our regular Children's Church leaders a little break.

So, we are looking for some short-term volunteers to lead Children's Church once or twice over the summer months (June 8 - Aug 31st, in total we have 10 Summer Sundays with children's church to fill).

Your lesson/video/activities will be prepared for you, and you will also have the support and energy of our amazing junior helpers!

**Children's Church is so blessed to have such an amazing and supportive congregation like you!**

If you can help and temporarily serve in this area over the summer, we would greatly appreciate it!

Please contact Tamara or Melissa if you are interested!

## DBC CAMPOUT

AUGUST 15-17, 2025  
 LIVING WATERS CAMP

INFORMATION & REGISTRATION

**Camp Kadesh:** This past week was an eventful one at camp, for both expected and unexpected reasons. We hosted 9 schools with over 250 students (plus teachers and chaperones) on site for a mix of one- and two-day programs. That was a typical busy week for the end of May, but we did not anticipate seeing water bombers landing on Christopher Lake to combat a fire near the camp. There was a significant uncontrolled fire south of Hwy 263, and the southern ends of the lakes were put on alerts to prepare for evacuation. It was a somewhat stressful overnight Tuesday, but the news on Wednesday was that the fire was back under control. We were thankful that the campers were not over on Tuesday night. Thank you to all who were aware and prayed for the safety of everyone in our area. We can all agree to pray that our province will receive some much-needed rain.

This coming week, we will have four days of regular spring school programs involving four schools and 160 students. The new, exciting program will be on Friday when we launch our first Day Off at Kadesh, a one-day camp coinciding with the PD Day in Saskatoon. Please pray for our staff as we implement this new type of program, hoping to reach new campers with the Gospel and build a program to run alongside various PD days across the area of the province we serve most.
