PRAYER REQUESTS

- ✝ Pray for the Pastor Search Committee: to ask the Holy Spirit to guide them forward, to give them wisdom and discernment each step of the way as they move from identifying congregational priorities and needs, to inviting candidates to consider applying, for discernment through the hiring process, and eventually onboarding the person God will bring to us. Pray that the right person will be drawn toward us, and that we are drawn toward the right candidate.
- ✝ Outreach Prayer Focus: Lord, I pray that ____ will turn from their sin (Acts 17:30-31; Thess. 1:9-10).
- ✝ DBC Global Partner: S/C H: as they work with minority people
- ✝ Talnoe Baptist Church, Ukraine: Pray that their influence in the community will be positive and that they will learn to truly love their neighbours so that unsaved will be open to attend their church services.
- ✝ Sinagen Bibleless People in Papua New Guinea: Pray for ongoing relationships and communication of the Message; for protection from false rumors and misunderstandings; for involvement of the community so that the translation program belongs to the whole group.

July 1, 2026

What an exciting time this is! The US is celebrating our 250th anniversary this week, which is pretty cool, but my excitement is focused on other things. As I complete my preparations for our annual gathering – Connect, I am always pretty pumped up. I am in the midst of preparing information for the delegate folders, printing off reports and agendas, setting final details, and thinking through every aspect of the event. It is equal parts exhaustion and exhilaration.

Most importantly, this is the time that I look back over our past year and dream of what next year might look like, so I can share these things with your delegates. Frankly, God has worked miracles this past year! We have seen him heal and restore in difficult situations, provide wisdom and courage to church leaders, and provide pastors for several of our churches who were in need. But perhaps the easiest miracle to quantify is how he provided for us financially in ways that far exceeded our expectations. The difference between our expected withdrawal from reserves and our actual gain amounts to a \$128,000 swing. For perspective, this swing is over half of our total FY2026 budget! Praise the Lord! This is an amazing shift from a few years ago!

There is not one obvious source for this increase. Spending was a bit less than budgeted, investments provided more return than expected many of our churches increased giving or gave unexpected one-time gifts, and we received several one-time gifts from individuals. While pledged support for the Ministries Coordinator position dropped a bit, God still amazed us. Individual one-time donations pushed the total received for MC Support over 100% for the first time since the support model was established. This reminds us that God is faithfully providing, but also that we cannot relax or rest on last year's success. We need continued commitment!

The future of the Fellowship looks bright. Earlier this month I had a great meeting with a church that is interested in joining the FEBC. Another church will be meeting with me later this year, and discussions continue with several other viable prospects. Pray that God will direct each one.

I am excited at how God is working. I am excited at new opportunities. I am excited at the growth in connection among our member churches. And I am excited at how God continues to use you, the people of our Fellowship, to provide mutual encouragement and support for our churches. I believe this ministry is important – and we could never do it without the help of people like you.

Thank you so much for your ongoing prayer, support, and encouragement!

Kevin Stone, FEBC President
